### Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: H/J19
- Minimum Order Quantity: 1 set
- Price: \$15 one set
- Delivery Time: 10-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100+box+10days

### Product Specification

- Model: H/J19
- Strip Width: 16-19mm
- Strip Thickness: 0.8mm
- Large Tightening Force: 200-2800N
- Color: Blue And Black
- Total Weight: 3.03kg
- Highlight: Plastic Steel hand strapping machine, Pallet hand strapping machine, Plastic Steel manual pallet strapping machine

### Product Description

#### DESCRIPTION

The manual packing machine has the characteristics of light weight, easy operation, safety and reliability, fast and firm tying, and low labor intensity. It is suitable for tying 16-19mm plastic steel strips, as well as for tying steel, pipes, plates, brick factories, and other objects.

The tensioner has a rotating twist design, making the tightening operation easy and simple, with a longer tightening stroke. Automatic cutter eliminates the need for manual cutting of packaging straps, improves work efficiency, and completes tightening and cutting in one step.

The characteristic of pliers is their strong biting force, advanced manufacturing technology, and the ability to break with just one grip, saving labor and time. The handle has high strength, durability, and a comfortable grip, effectively protecting both hands.

Strip width	16-19mm
Strip thickness	0.8mm
Applicable straps Type	PET strap
