### Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: J19
- Minimum Order Quantity: 1 set
- Price: To be discussed
- Delivery Time: 10-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100+box+10days

### Product Specification

- Model: J19
- Strip Width: 16-19mm
- Color: Black
- Total Weight: 1.8kg
- Highlight: Automatic sealless steel strapping tool, sealless steel strapping tool Packaging Pliers, PET Plastic automatic strapping machine manual

### Product Description

## Clamp pliers

The design of pliers not only improves the durability of the tool, but also ensures stable biting force for a long time during use. Whether handling heavy or light goods, fixtures can provide reliable support, ensuring the stability and safety of packaging.

It is easy to operate and can be adjusted according to different packaging needs, making the packaging process easier and more efficient for users.

The pliers have strong biting force. Whether it is metal, plastic or other materials, pliers can firmly fix them together through strong biting force, ensuring the firmness of the packaging. This can not only prevent items from loosening or falling off during transportation, but also reduce damage and loss caused by loose packaging.

Overall, the packaging industry with thickened jaws for pliers has gained widespread recognition in the market for its durable parts, flexible operation, and strong biting force.

Strip width	16-19mm
Applicable straps Type	PET strap
