Product Description

ST13 Manual 3-in-1 baler

This product is suitable for PP belts below 13mm.

Strong binding force: Strong binding force can ensure the stability of goods during transportation and storage.

Simple operation: the design is simple and intuitive, and users can easily get started without complex training, improving packaging efficiency.

Strong biting force: the biting force is strong, which can firmly fix the packing belt and avoid the loosening of the goods during transportation.

Metal spindle: The use of metal spindle, improve the durability and load-bearing capacity of the machine, to ensure long-term stable operation.

In summary, the ST13 manual 3-in-1 baler is a high quality packing tool for a variety of scenarios, with strong binding power and easy operation.
