### Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: 5 inch screen online inkjet printer
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Delivery Time: 10-15 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100+box+10days

### Product Specification

- System Language: Chinese-english Bilingual
- Count Sequence Number: Variable Serial Number 1-9 Digits
- Printing Distance: 2-5mm
- Printing Height: 2-12.7mm
- Number Of Print Lines: 1-6
- External Interface: USB, Charging Port, Photoelectric Port
- Stored Information: U Disk And This Machine
- Screen Size: 5-inch Touch Screen
- Use Environment: 0 -40 Humidity 10%-80%
- Print Content: Date, English, Chinese Characters, Pictures, QR Code, Etc
- Printing Accuracy: 600DPI HD Resolution
- Highlight: 5-Inch Screen Online Inkjet Printer , 600DPI Online Inkjet Printer , Production Date Online Inkjet Printer

### Product Description

#### On-line inkjet printer

On-line inkjet printer is an important marking equipment in modern industrial production line. Its powerful function and efficient performance bring great convenience to the production process of enterprises. Designed for assembly line work, this printer has extremely high efficiency and can easily handle large-scale, continuous production tasks. Whether it is a carton, metal, plastic, wood or glass and other materials of the product, it can be accurate and fast printing, to ensure that each product can get a clear and standardized identification. The device is equipped with a 5-inch HD display, providing users with an intuitive and clear visual experience. On the screen, users can easily view and set various parameters for flexible operations. At the same time, it also supports multi-language display, which is convenient for users in different countries and regions. In terms of print quality, this online inkjet printer also performs well. It uses a high-definition resolution of 600DPI to ensure fine and clear print content. Whether it is simple date, English letters, or complex Chinese characters, pictures, two-dimensional code and other information, it can be perfectly presented to meet a variety of printing needs. In addition, this printer also has a height adjustable printing function, printing height range between 2-12.7mm, can adapt to different sizes and specifications of product packaging. At the same time, it is also equipped with a wealth of external interfaces, including USB interface, charging port and photoelectric port, etc., to facilitate users to perform data transmission, equipment maintenance and upgrade operations. In summary, this online inkjet printer with its efficient, accurate, flexible inkjet function, as well as humanized design and a high degree of adaptability, has become the ideal choice for modern industrial production lines.

Model number	5 inch screen online inkjet printer
System language	Chinese-english bilingual
