Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: MH-TDML-91
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 box per 10days

Product Specification

- Power: AC100-220V 50/60Hz 0.25kW
- Packing Speed: 3 Seconds/strap
- Tension Range: 5-50kg
- Workingtable Height: 450mm
- Applicable Straps Type: PP Strap
- Pp Strap Specification: Width6~15mm,thickness 0.5-0.85mm
- PP Strap Spool: Inner Dia.160-190mm Outer Dia.200-210mm
- Machine Dimension: L1455mmxW545mmxH450mm
- Highlight: 3 Seconds Strapping Machine, 0.85mm Strapping Machine, Warehousing Strapping Machine

Product Description

Semi-automatic baler

Specially designed for heavy goods, the low-stage semi-automatic bundling machine is your right hand in warehousing, logistics and other fields. The machine supports PP packing belt with width of 5-15.5mm and thickness of 0.5-0.85mm, and the tying speed is up to 3 seconds/channel, which greatly improves the work efficiency.

Easy to use panel design is intuitive and easy to understand, so you can easily get started. Whether it is warehouse management, food packaging or logistics distribution, this semi-automatic strapping machine can provide outstanding packaging results. Its wide range of uses and powerful functions make it easy for you to cope in different situations. In addition, the machine has excellent durability and stable and reliable performance. It is made of high quality materials, durable and not easily damaged. At the same time, it also has good heat dissipation performance to ensure that long-term work can be stable.

In short, this low-stage semi-automatic strapping machine has attracted much attention in the market for its powerful functions, easy operation, wide range of uses and stable and reliable performance. If you are looking for a machine suitable for heavy packing, you may wish to consider this semi-automatic strapping machine, it will become a useful tool in your work.
