Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: A333
- Minimum Order Quantity: 1 Set
- Price: To be discussed
- Packaging Details: 420*325*200mm one paper box one set
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T, Western Union, MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Model: A333
- Applicable Strapping Tape Width: 13-19mm
- Applicable Strapping Tape Thickness: 0.38-0.58mm
- Applicable Straps Type: Steel Strap
- Maximum Binding Force: The Steel Belt Bears 70%-80% Of The Maximum Tensile Force
- Locking Method: Yin And Yang Buckle
- Weight: 3.82kg
- Size: 387*162*308mm
- Highlight: **A333 Manual Steel Strapping Tool, No-Buckle Steel Strapping Tool, Heavy Industrial Materials Steel Strapping Tool**

Product Description

A333 Manual no-buckle steel belt baler

The A333 Manual Buckle free steel belt baler is a practical tool designed for high-strength packaging needs, suitable for steel, aluminum, cotton mills, metal products, logistics and other industries. Whether it is heavy industrial materials or daily logistics packaging, it provides reliable packaging solutions and is your right hand for efficient packaging!

Our Product Introduction

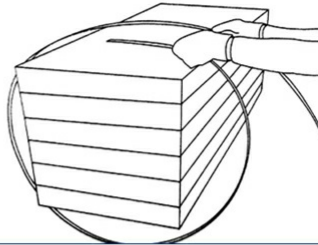

Product advantages:

Widely applicable, easy to deal with: this product is suitable for the width of 13-19mm, thickness of 0.38-0.58mm steel belt, can meet the packaging needs of different specifications, widely used in steel, aluminum, cotton mill, metal, logistics and other industries.

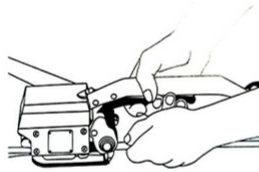

Free design, easy operation: the unique Yin and Yang buckle locking method, no need to use packaging buckle, simplify the operation process, improve work efficiency, even novice can easily get started.

Three-in-one function, save time and labor: set tightening, locking, cutting function in one, operation in one go, save time and labor, greatly improve packaging efficiency.

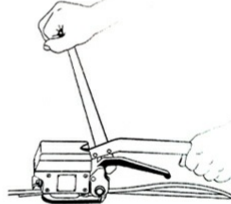

(1) Wrap the packing tape around the item

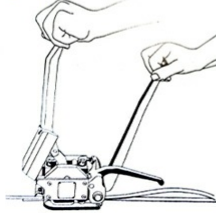

(2) Place packing tape

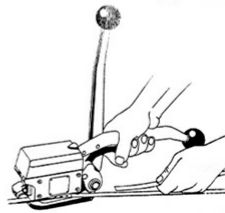

(3) Tighten the packing belt

(4) Packing tape

(5) Packing tape

Strong tensile force, firm and reliable: the steel belt can withstand 70-80% of the maximum tensile force, to ensure that the packaging is firm and reliable, effectively prevent the loose goods, to ensure transportation safety.

Durable, quality assurance: Made of high-quality materials, strong structure, durable, able to cope with a variety of harsh working environment, to provide you with a long-term stable experience.

Intimate service:

With the purchase of the A333 manual no-buckle steel belt baler, you can give free instructions and tools, so that you can easily master the use of the method, no additional purchase, save money and worry!

The A333 manual no-buckle steel belt baler is the ideal choice for your efficient packing! It is simple to operate, powerful, wide range of applications, is a necessary tool for packaging operations in various industries, to help you easily cope with a variety of packaging challenges!

Steel belt width	13-19mm
Steel strip thickness	0.38-0.58mm
Applicable straps Type	Steel strap
Locking Method	Yin and Yang buckle
Maximum Binding Force	The steel belt bears 70%-80% of the maximum tensile force
Weight	3.82kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status, the company has a number of retailers and agents to establish long-term stable partnerships, with complete products specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1, What are your strengths?

Honest management, competitive prices and professional export services.

2, How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3, Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4, Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5, Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
