Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: ST19
- Minimum Order Quantity: 1
- Price: To be discussed
- Delivery Time: 5-8 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100 box per 10days

Product Specification

- Model: ST19
- Packing Belt: PP
- Breadth: 16-19mm
- Thickness: 0.4-1.2mm
- Material: Steel
- Weight: 2.4kg

Product Description

ST19 Manual 3-in-1 baler

ST19 Manual 3-in-1 PP baler is a professional strapping tool specially designed for 16-19mm wide PP baling belt. It integrates packing, tensioning and cutting in one, with simple and efficient operation. It is suitable for strapping goods in many industries such as logistics, warehousing, building materials, home appliances and paper making. Whether it is cartons, parcels, wooden boxes or other heavy goods, it can provide a strong binding effect to ensure safety and stability during transportation.

1.Strong applicability

Designed for 19mm wide PP packing belt, strong compatibility, can be widely used in different industries and scenarios, to meet diverse strapping needs.

2.Strong strapping force

The high-strength mechanical design, combined with an optimized tensioning system, provides strong strapping forces to ensure that the packing tape fits tightly to the cargo, preventing loose or falling off.

3.Ratchet type locking mechanism

Equipped with ratchet locking device, the operation is labor-saving and stable, and the tension can be gradually adjusted to avoid slipping of the packing belt, ensuring that each bundling is firm and reliable.

4.Three-in-one multi-functional design

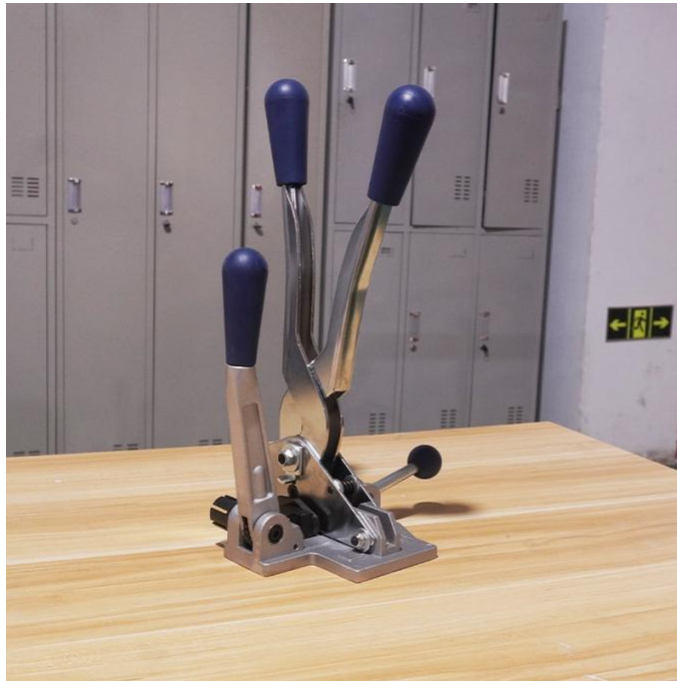

Our Product Introduction

It integrates the functions of tightening, locking and cutting, and can complete the entire packaging process without additional tools, greatly improving work efficiency and saving time and labor costs.

5.Strong and durable

Made of high quality steel and precision technology, the structure is stable, strong wear resistance, can withstand high intensity working environment for a long time, long service life.

The ST19 Manual 3-in-1 PP baler, with its excellent performance and easy operation, is the ideal choice for all types of bundling operations. Whether it is daily packaging or high-strength strapping, it provides a stable and reliable solution to help you improve your work efficiency and reduce packaging costs.

Model	ST19
Breadth	16-19mm
Thickness	0.4-1.2mm
Packing belt	PP
Total weight	2.4kg
Size	150*130*360mm

1.Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools,pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensersand various types of packing materials.

2.The products are widel used in iron,steel.nonferrous metals building materials.chemical fiber tobacco paper textilesmanufacturing logistics and other industries,transportation storage and other links.

3.The company has complete products specifications.reliable quality and a complete and scientific uality management system.

4.The products sell well in the market with a higher status.the company has a number of retailers and agents to establish a longterm stable partnerships, with complete products specification competitive price and the contract and accredit honoring.ensure thetable quality with diversified business small profits and quick turn over to win the customers.

FAQ

1, What are your strengths?

Honest management, competitive prices and professional export services.

2, How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3, Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4, Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5, Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
