

## ST19 Manual 3-in-1 Baler Heavy-Duty Strapping Tool for Heavy Cartons and Wooden Boxes Design for Quick and Easy Packaging

Our Product Introduction

for more products please visit us on [setuopack.com](http://setuopack.com)

### Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: ST19
- Minimum Order Quantity: 1
- Price: To be discussed
- Delivery Time: 5-8 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100 box per 10days

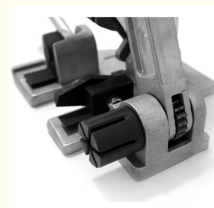

### Product Specification

- Model: ST19
- Packing Belt: PP
- Breadth: 16-19mm
- Thickness: 0.4-1.2mm
- Material: Steel
- Weight: 2.4kg

### Product Description

#### ST19 Manual 3-in-1 baler

ST19 Manual PP baler is a heavy-duty strapping tool designed for 16-19mm wide PP baling belts, suitable for high-strength strapping scenarios such as large cargo, heavy equipment, building materials pallets, etc. With its strong tension and durable structure, it can easily cope with the harsh packaging needs of logistics, warehousing, and manufacturing, ensuring that goods are stable and not loose during transportation and handling.

Our Product Introduction

#### Superior compatibility

Suitable for 16-19mm wide PP packing belt, suitable for thicker and thicker bundling needs, especially for heavy cartons, wooden boxes, metal products, building materials and other large items fixed.

Heavy tension, lock more firmly

The reinforced gear + ratchet lock design provides a tightening force far beyond the ordinary baler, ensuring that the packing belt is tightly fitted to the cargo and will not loosen even if it is transported for long distances or frequently.

3-in-1 efficient design

Set tightening, locking, cutting in one, no additional tools, a single person can quickly complete the packaging, greatly improve the efficiency of work, save time and labor costs.

Industrial grade durable construction

The body is forged with thickened alloy steel, the key components are quenched, resistant to wear and impact, and can withstand high intensity working environment for a long time, and the service life is longer.

humanized operation experience

Ergonomic grip design, with non-slip handle, long-term use is not easy to fatigue, even high-intensity operation can maintain a stable and efficient binding effect.

Applicable to industries and scenarios

- ✓ Logistics transportation - large pallets, heavy machinery and equipment strapping
- ✓ Storage management - large goods are stacked and fixed to prevent dumping
- ✓ Building materials industry -- steel pipe, aluminum alloy, glass and other building materials packaging
- ✓ Waste recycling - compression and bundling of high-density waste such as scrap metal, paper and plastic
- ✓ Manufacturing -- large parts, industrial finished product packaging fixed

Why choose ST19?

Wider packing belt (16-19mm) → Stronger binding force, suitable for heavy cargo

Heavy ratchet structure → more reliable locking, not easy to spring loose

Industrial grade material → Durable, reduce the frequency of replacement

The ST19 Manual PP baler is the ideal solution for strapping large packages and heavy-duty baling, especially in environments requiring greater strength and stability. Whether it's a logistics company, a building material supplier, or a waste recycling station, it delivers robust, stable and efficient bundling performance to help you meet the toughest challenges!

Model	ST19
Breadth	16-19mm
Thickness	0.4-1.2mm
Packing belt	PP
Total weight	2.4kg
Size	150*130*360mm

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

#### FAQ

1, What are your strengths?

Honest management, competitive prices and professional export services.

2, How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3, Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4, Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5, Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
