

Multi-Industry Application Pneumatic Strapping Tensioner for Various Packing Needs

Our Product Introduction

for more products please visit us on setuopack.com

Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: FTL/S32
- Minimum Order Quantity: 1 set
- Price: To be discussed
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Features: Pneumatic Operation, Adjustable Tensioning Force, Lightweight Design
- Tensioning Force: 600-2000 Lbs
- Material: Steel
- Warranty: 1 Year Limited Warranty
- Air Consumption: 0.4-0.6 CFM
- Package Contents: 1 Pneumatic Strapping Tensioner
- Usage: For Tensioning And Sealing Steel Strapping
- Strap Width: 1/2 Inch
- Weight: 8.5 Lbs
- Strap Thickness: 0.015-0.023 Inch
- Dimensions: 12 X 6 X 4 Inches
- Air Pressure: 70-100 Psi
- Application: Ideal For Heavy-duty Industrial Strapping Applications

Product Description

Pneumatic tensioner

FTL/S32 pneumatic split baler is a high-performance strapping machine designed for heavy duty packaging needs, suitable for steel, aluminum, brick and other heavy cargo packing and fixing. Its strong tension and locking strength ensure that the goods are stable and not loose during transportation and storage, effectively improving work efficiency and safety.

Super strapping force: The tension machine pulls up to 8500N to ensure that the steel belt is tightly bound to prevent the goods from shifting or loose.

High locking strength: the clamping mouth of the locking machine can withstand 15,000N pulling force, far exceeding the industry standard, providing a stronger packaging effect.

Wide applicability: Support 32mm wide, thickness of 0.6-1.2mm steel belt, to meet the needs of different heavy goods strapping.

Pneumatic drive: It needs to be used with air pump, working pressure range 0.49-0.63Mpa, stable and efficient operation, suitable for high-intensity working environment.

Multi-industry application: Widely used in steel factory, aluminum processing, brick factory, logistics warehousing and other industries, is the ideal choice for heavy goods packaging.

Purchase free manual and complete kit to help you get started quickly, easy installation and routine maintenance.

FTL/S32 pneumatic split baler with excellent performance and reliability, to provide a solid guarantee for your cargo transportation, is to improve the efficiency of packaging, reduce the cost of quality choice!

Our Product Introduction

specification	32mm
use air pressure	0.49-0.63Mpa
Strip width	0.6-1.2mm
Tension Force	8.5N
Net weight (m.w.)	7.2kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.
2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.
3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.
4. The products sell well in the market with a higher status, the company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and accreditation honoring, ensure the quality with diversified business small profits and quick turn over to win the customers.

FAQ

- 1, What are your strengths?
Honest management, competitive prices and professional export services.
- 2, How can I trust you?
A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.
- 3, Can you guarantee your products?
A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with

our quality or service, please report back immediately.

4.Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5.Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
