

Modular Structure and Extended Service Life for Key Components in Pneumatic Strapping Tensioner

Our Product Introduction

for more products please visit us on setuopack.com

Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: FTS19
- Minimum Order Quantity: 1 set
- Price: To be discussed
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Specification: 19mm
- Breadth: 0.6*1.2mm
- Use Air Pressure: 0.49-0.63Mpa
- Bear The Tension: 15KN
- Highlight:
 - Extended Service Life Pneumatic Strapping Tensioner
 - Key Components Pneumatic Strapping Tensioner
 - Modular Structure Pneumatic Strapping Tensioner

Product Description

Pneumatic tensioner

In the field of industrial packaging, safe and reliable bundling is directly related to the integrity of cargo transportation and operational efficiency. The FTS19 pneumatic split baler is designed for high-strength bundling and is the ideal solution for heavy duty packaging of steel, aluminum, and building materials.

Our Product Introduction

1, excellent performance Patented locking technology, clamping force up to 15000N, 1.5 times that of ordinary equipment
Optimized gas path design to maintain stable output at 0.49-0.63Mpa working pressure

2. Professional adaptive design
Perfectly matched 19mm wide steel strip (thickness 0.6-1.2mm)
Modular structure design, easy maintenance, the service life of key components increased by 30%
Meet industrial protection standards, adapt to a variety of harsh working environments

3, a wide range of industry applications
Iron and steel metallurgy: all kinds of profiles, coil fixed binding
Building materials industry: brick, stone and other heavy building materials packaging
Logistics transportation: large machinery and equipment, pipe transportation fixed
Other fields: Wood, paper and other heavy goods strapping

4. Supporting services:
Included with professional kit (including special wrench, debugging tool, etc.)
Provide detailed Chinese instruction manual and operation video guide
Optional professional steel belt and customized service

With its excellent performance and reliability, FTS19 pneumatic split baler is becoming the preferred equipment for many industrial enterprises to improve packaging efficiency and reduce transportation losses. Reliable strapping solutions for both daily production and special transportation needs.

Choose FTS19, choose professional and efficient industrial packaging!

| Bear the Tension | 15N |
| Net weight (m.w.) | 3.1kg |

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and credit honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
