

Electric Baler For Fully Automatic Strapping Tools With Robust Performance And High Capacity Battery

Our Product Introduction

for more products please visit us on setupack.com

Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: Q2L
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Packaging Details: 440*280*180mm
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Width: 16-19mm
- Thickness: 0.4-1.2mm
- Applicable Straps Type: PET、PP
- Speed: 100-200mm/s
- Strapping Force: 400-5500N
- Voltage: 18V
- Capacity: 5.0Ah
- Weight: 3.4kg(N.W)+0.6kg(Battery)
- Highlight: Fully Automatic Strapping Tools, Electric baler Strapping Tools, High Capacity Battery Strapping Tools

Product Description

One click electric packaging machine

The electric baler represents a breakthrough in packaging technology, combining power, precision, and adaptability to streamline operations across diverse industries. Engineered to handle PET plastic strapping, steel tape, and PP tape, this advanced tool supports a bandwidth of 16-19mm and an adjustable thickness range of 0.4-1.2mm, ensuring compatibility with a wide variety of materials and load requirements.

Unmatched Strength and Efficiency

With an impressive tensile force of 5500N, this baler delivers superior binding security, making it ideal for heavy-duty applications in industries like logistics, recycling, and manufacturing. Its robust performance is complemented by a high-capacity 5000mAh battery, enabling up to 600 cycles per charge—minimizing downtime and maximizing productivity.

Smart Operation for Versatile Applications

Designed for flexibility, the electric baler features three intuitive modes:
 AUT (Automatic Mode) – For rapid, hands-free operation in high-volume settings.
 SEM (Semi-Automatic Mode) – Balances speed and control for precision tasks.
 MAN (Manual Mode) – Allows full customization for specialized packaging needs.
 An easy-to-read LCD display provides real-time feedback on settings and performance, ensuring seamless operation even for first-time users.

Reliable Across Industries

From paper mills and metal processing plants to textile factories and timber warehouses, this

Our Product Introduction

electric baler enhances efficiency while reducing labor costs. Its durable construction and intelligent design make it the go-to choice for businesses seeking speed, strength, and smart functionality in packaging.

Upgrade your packaging process with an electric baler that works smarter, faster, and stronger —wherever your industry demands.

width	16-19mm
Thickness	0.4-1.2mm
Appcable Straps Type	PET,PP
Speed	100-200mm/s
Strapping Force	400-5500N
Battery Voltage	18V
Battery Capacity	5.0Ah
Charging time	About 100 Minutes
Net weight (m.w.)	3.4kg(N.W)+0.6kg(Battery)

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
