

Effortlessly Secure Heavy Loads With Our Advanced Electric Baler For Fully Automatic Strapping Tools

Our Product Introduction

for more products please visit us on setupack.com

Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: Q2L
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Packaging Details: 440*280*180mm
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Width: 16-19mm
- Thickness: 0.4-1.2mm
- Applicable Straps Type: PET、PP
- Speed: 100-200mm/s
- Strapping Force: 400-5500N
- Voltage: 18V
- Capacity: 5.0Ah
- Weight: 3.4kg(N.W)+0.6kg(Battery)
- Highlight: Heavy Loads electric baler,
Advanced electric baler,
Fully Automatic Strapping Tools electric baler

Product Description

One click electric packaging machine

Revolutionizing industrial packaging, our advanced electric baler delivers unmatched performance with intelligent features designed for today's demanding workflows. Engineered to handle PET, PP, and steel strapping with 16-19mm width flexibility and 0.4-1.2mm thickness adjustability, it adapts seamlessly to diverse materials—from lightweight textiles to dense metal coils.

Unstoppable Performance
 5500N crushing tensile force – Confidently secures heavy loads in shipping, recycling, and manufacturing
 Industrial-grade 5000mAh battery – Powers 600+ cycles per charge, eliminating productivity gaps
 3-second cycle time – Outpaces manual tools with rapid, consistent tensioning

Intelligent Control at Your Fingertips
 Our tri-mode smart system redefines operational flexibility:
 AUTO-LOCK – Fully automated operation for maximum throughput
 SEMI-ASSIST – Perfect balance of automation and manual control
 EXPERT MODE – Full manual override for specialized applications
 The interactive LCD dashboard provides real-time diagnostics, tension monitoring, and maintenance alerts—putting complete process control in the operator's hands.
 Built for Industry 4.0

Our Product Introduction

Featuring:

- ✓ Overload protection for accident-free operation
- ✓ Ergonomic lightweight design (25% lighter than competitors)
- ✓ IP54-rated components resisting dust and moisture

Trusted by leading facilities in scrap metal processing, paper mills, and logistics hubs, this baler cuts strapping costs by up to 40% while delivering military-grade load security.

Why Settle for Ordinary?

Upgrade to the electric baler that thinks ahead—where raw power meets smart technology for packaging perfection.

Available with optional IoT connectivity for remote performance tracking and predictive maintenance.

width	16-19mm
Thickness	0.4-1.2mm
Appcable Straps Type	PET,PP
Speed	100-200mm/s
Strapping Force	400-5500N
Battery Voltage	18V
Battery Capacity	5.0Ah
Charging time	About 100 Minutes
Net weight (m.w.)	3.4kg(N.W)+0.6kg(Battery)

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
