

## Fully Automatic Strapping Tools with Adjustable Tensile Force and High-efficiency Battery Life

Our Product Introduction

for more products please visit us on [setuopack.com](http://setuopack.com)

### Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: K1
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Packaging Details: 44.5\*28.5\*18.5cm
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

### Product Specification

- Width: 13-16mm
- Thickness: 0.6-1.2mm
- Applicable Straps Type: PET、PP
- Speed: 100-200mm/s
- Strapping Force: 400-3200N
- Voltage: 14.4V
- Capacity: 4.0Ah
- Weight: 3.2kg

### Product Description

#### K1 Electric packaging machine

##### 1. Product application scope

This electric strapping machine is specially designed for industrial-grade strapping operations and is perfectly compatible with PET and PP strapping bands of 13-16mm. Whether it is logistics transportation, warehousing packaging, or production line strapping, it can handle them all with ease and meet the packaging needs of different industries.

##### 2. Powerful power system

The equipment is equipped with a high-performance motor, providing adjustable tensile force ranging from 400 to 3200N. Users can freely adjust the binding force according to the weight and material of the goods to ensure that from light cartons to heavy pallets, a stable and reliable binding effect can be achieved.

##### 3. High-efficiency battery life

Equipped with a 4000mAh large-capacity lithium battery, it supports 90-minute fast charging. A single charge can complete approximately 300 packaging operations. Its long-lasting battery life makes high-intensity continuous work possible, significantly enhancing work efficiency.

##### 4. Intelligent control design

It adopts humanized independent tensioning buttons and welding buttons, combined with adjustable tensile force and welding time Settings, making the operation simple and precise. Even beginners can quickly get started and achieve professional-level binding effects.

##### 5. Lightweight and durable body

The whole machine adopts a lightweight design with a compact and sturdy structure. While ensuring portability, it also guarantees the durability of the equipment, making it an ideal industrial helper for improving packaging efficiency and reducing labor costs

Our Product Introduction

width	13-16mm
Thickness	0.6-1.2mm
Appcable Straps Type	PET,PP
Speed	100-200mm/s
Strapping Force	400-3200N
Battery Voltage	14.4V
Battery Capacity	4.0Ah
Charging time	About 90 Minutes
Net weight (m.w.)	3.2kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status, the company has a number of retailers and agents to establish a long-term stable partnership, with complete product specification, competitive price and the contract and accreditation honoring, ensuring the quality with diversified business, small profits and quick turn over to win the customers.

#### FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
