

KZ19 Pneumatic Bundling Tool for Heavy-Duty Strapping Solutions KZ19 Linkage Strapping Machine

Our Product Introduction

for more products please visit us on setupack.com

Basic Information

- Place of Origin: China
- Brand Name: Zhuoyu
- Certification: CE
- Model Number: KZ19
- Minimum Order Quantity: 1 stage
- Price: To be discussed
- Packaging Details: 420*240*240mm
- Delivery Time: 10-15 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100+box+10days

Product Specification

- Model: KZ19
- Applicable Strapping Tape Width: 19mm
- Applicable Strapping Tape Thickness: 0.6-0.8mm
- Tension Force: $\geq 4.5\text{KN}$
- Bear The Tension: $\geq 6.3\text{KN}$
- Net Weight(N.W.): 4.2kg
- Size: 310*180*170mm

Product Description

KZ19 pneumatic linkage strapping machine

Professional heavy-duty strapping solutions

This pneumatic linkage strapping machine is a professional device specially designed for industrial heavy-duty packaging. It adopts advanced pneumatic technology and is perfectly compatible with 19mm steel straps. Its outstanding performance can meet the ultra-heavy load strapping requirements of industries such as steel, building materials, and mechanical equipment, providing reliable guarantees for the transportation of large goods.

2. Super powerful power system

The equipment is equipped with a high-performance pneumatic device, which can generate a powerful tensile force of 4500N to ensure that the steel belt is tightly and firmly bound. The specially designed power transmission system makes the strapping process more stable and efficient, and can handle goods weighing several tons with ease.

3. Military-grade structural strength

The innovatively designed alloy steel chuck can withstand an ultimate tensile force of 63,000N, and the wear resistance is enhanced through heat treatment process. The unique locking mechanism ensures that the steel belt will not loosen or slip during transportation, significantly enhancing transportation safety.

4. Diversified industrial applications

It is widely used in the binding and fixation of heavy materials such as steel, aluminum, wood and pipes, and is particularly suitable for fields such as shipbuilding, bridge construction and heavy machinery manufacturing. Customized solutions can be provided according to the needs of different industries.

5. Intelligent operation experience

Our Product Introduction

Equipped with a humanized control system, it is simple and convenient to operate. The pneumatic drive responds quickly and the strapping efficiency is more than five times that of traditional manual equipment. The modular design is convenient for maintenance and upkeep, and it is an indispensable professional strapping equipment in modern industrial production.

Air Pressure	0.42-0.6Mpa
Applicable straps Type	Steel strap
Tension Force	≥4.5KN
Bear the tension	≥6.3KN
Net Weight(N.W.)	4.2kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status, the company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and credit honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
