

Professional Lacquered Panel and Intelligent Inkjet Technology on FR-1600 Sealing Machine for Improved Packaging

Our Product Introduction

for more products please visit us on setupack.com

Basic Information

- Place of Origin: China
- Brand Name: ZHUOYU
- Certification: CE
- Model Number: FR900
- Minimum Order Quantity: 5 sets
- Price: To be discussed
- Packaging Details: 900*420*340mm for one set, paper box
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 box per 10days

Product Specification

- Model: FR1600
- Panel Material: Stove Varnish
- Width/thickness: 6~12mm, 0.02~0.80mm
- Supply Voltage: 220V 50Hz
- Motor Power: 80w
- Temperature: 0~300°C
- Bear The Weight: ≤5kg
- Product Size: L820xW385xH310(mm)

Product Description

FR-1600 sealing machine

In industries such as food, daily chemicals, and pharmaceuticals, the sealing performance of packaging and the clarity of labels directly affect product quality and brand image.

The FR-1600 intelligent inkjet coding and sealing machine integrates sealing and coding functions. It adopts a high-precision temperature control system and intelligent inkjet technology to ensure that each product is firmly sealed and the information is clearly distinguishable. It is an ideal choice for improving production efficiency and packaging quality.

Professional lacquered panel, sturdy and durable

The body is made with high-quality baking varnish, which is scratch-resistant, wear-resistant, oil-resistant and easy to clean, and suitable for various working environments. Industrial-grade structural design, stable operation, capable of long-term continuous operation, meeting the demands of high-intensity production.

Intelligent touch control, convenient operation

Equipped with an intuitive intelligent control panel, temperature, speed and coding content can all be precisely adjusted. No complex Settings are required. With just one click to start, high-quality sealing and coding can be completed. Supports the printing of dates, batch numbers, QR codes and other contents, meeting the identification requirements of different industries.

Widely compatible and multi-functional in one device

Our Product Introduction

It is suitable for various packaging materials such as PE, PP, composite film, and aluminum foil bags. Whether it is food (such as snacks, meat, dry goods), daily chemical products, or small packaging of medicine and electronic components, FR-1600 can handle them perfectly. The seal is smooth without wrinkles, and the inkjet coding is clear without smudging, ensuring that the product packaging is both aesthetically pleasing and safe.

High efficiency and energy conservation, enhancing production capacity

Fast preheating, adjustable sealing speed to adapt to different production rhythms. Low-energy consumption design effectively reduces operating costs while enhancing packaging efficiency, making it particularly suitable for small and medium-sized enterprises and contract manufacturers.

FR-1600 Intelligent Inkjet Sealing Machine - Making packaging smarter and more efficient! Whether integrated into a production line or used independently, we can provide you with stable and reliable sealing and coding solutions. Purchase now and optimize your packaging process!

Model	FR-1600
Panel material	Stove varnish
Supply voltage	220V 50Hz
Heating power	600w
Temperature	0~300
Motor power	80w
Sealing speed	0~12m/min
Widththickness	6~12mm,0.02~0.80mm
Bear the weight	≤5kg
Conveyortable size	L820xW155xH150(mm)
Product size	L820xW385xH310(mm)
Package size	L900xW420xH340(mm)
Weight	22kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete products specification competitive price and the contract and accreditation honoring, ensuring the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
