

FR-1600 Sealing Machine for Stable Operation in Damp or High-Temperature Environments in Different Industries

Our Product Introduction

for more products please visit us on setuopack.com

Basic Information

- Place of Origin: China
- Brand Name: ZHUOYU
- Certification: CE
- Model Number: FR900
- Minimum Order Quantity: 5 sets
- Price: To be discussed
- Packaging Details: 900*420*340mm for one set, paper box
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 box per 10 days

Product Specification

- Model: FR1600
- Panel Material: Stainless Steel
- Width/thickness: 6~12mm, 0.02~0.80mm
- Supply Voltage: 220V 50Hz
- Motor Power: 80w
- Temperature: 0~300°C
- Bear The Weight: ≤5kg
- Product Size: L820xW385xH310(mm)

Product Description

FR-1600 sealing machine

The intelligent inkjet coding and sealing machine is a highly efficient packaging device that integrates sealing and coding functions. It is specially designed for the food, pharmaceutical, chemical and other industries, meeting the sealing requirements of bags made of different materials. It adopts high-quality stainless steel panels, which are sturdy, durable and easy to clean, ensuring stable operation of the equipment even in damp or high-temperature environments.

Wide applicability: It can seal packaging bags of various materials, such as PE, PP, aluminum foil, etc., and is suitable for the needs of different industries.

Intelligent inkjet coding function: It can print information such as date and batch number while sealing, improving production efficiency and reducing manual operation.

High efficiency and stability: The sealing speed is adjustable from 0 to 12m/min, adapting to different production rhythms. The sealing width is 6-12mm and the thickness is 0.02-0.8mm, meeting the requirements of diverse packaging.

Easy to operate: It adopts 220V power supply voltage and is plug-and-play. Humanized design, convenient adjustment, and lower usage threshold.

It is suitable for packaging and sealing of granular, powdered, liquid and other products, and is an ideal choice for food factories, pharmaceutical enterprises and daily chemical production lines.

The intelligent inkjet coding and sealing machine, with its outstanding performance and reliable quality, helps enterprises enhance packaging efficiency, ensure product sealing and clear marking, and is a powerful assistant for modern production!

Model	FR-1600
Panel material	Stainless steel
Supply voltage	220V 50Hz
Heating power	600w
Temperature	0~300
Motor power	80w
Sealing speed	0~12m/min
Widththickness	6~12mm,0.02~0.80mm
Bear the weight	≤5kg
Conveyortable size	L820xW155xH150(mm)
Product size	L820xW385xH310(mm)
Package size	L900xW420xH400(mm)
Weight	22kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status. The company has a number of retailers and agents to establish a long-term stable partnership, with complete product specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1, What are your strengths?

Honest management, competitive prices and professional export services.

2, How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3, Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4, Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5, Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
