

Intelligent Sealing Machine with 600DPI Ultra-Clear Inkjet Coding and Military-Grade Stainless Steel Body

Our Product Introduction

for more products please visit us on setupack.com

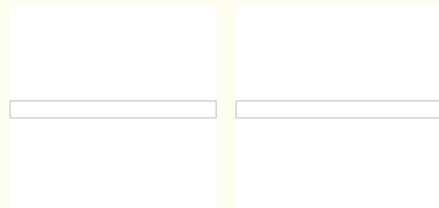

Basic Information

- Place of Origin: China
- Brand Name: ZHUOYU
- Certification: CE
- Model Number: FR900
- Minimum Order Quantity: 5 sets
- Price: To be discussed
- Packaging Details: 900*420*340mm for one set, paper box
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100 box per 10 days

Product Specification

- Model: FR1600
- Panel Material: Stove Varnish
- Width/thickness: 6~12mm, 0.02~0.80mm
- Supply Voltage: 220V 50Hz
- Motor Power: 80W
- Temperature: 0~300°C
- Bear The Weight: ≤5kg
- Product Size: L900xW630xH370(mm)

Product Description

FR-1600 sealing machine

This revolutionary intelligent visual inkjet coding and sealing all-in-one machine perfectly integrates three core functions: high-precision visual positioning, 600DPI ultra-clear inkjet coding and intelligent temperature-controlled sealing. It adopts a one-piece body made of military-grade 304 stainless steel and is equipped with a 7-inch industrial-grade touch screen. It supports offline programming and data traceability, providing a comprehensive intelligent solution for modern packaging production lines.

Core technological advantages

Intelligent visual positioning system
 Automatically identify the position of the bag opening with a positioning accuracy of $\pm 0.3\text{mm}$
 Support automatic correction for irregular packaging
 Ultra-fine inkjet coding performance
 600DPI industrial-grade nozzle
 Supports real-time printing of variable QR codes/barcodes
 The minimum recognizable character height is 1.5mm
 Adaptive sealing technology
 Digital PID temperature control, accuracy ± 1
 The sealing pressure is automatically adjusted
 Automatic alarm protection for abnormal temperature

Industry application scenarios

- Food industry: Snack foods, frozen dumplings, condiment packaging
- Pharmaceutical field: Sterilization packaging of traditional Chinese medicine granules and medical devices
- Industrial products: Moisture-proof packaging for electronic components and hardware accessories
- Cosmetics: Facial masks and skin care products are packaged in aluminum foil bags

After-sales service commitment

We offer a one-year warranty on the entire machine, 24-hour technical response, free operation training, and lifetime maintenance service.

Model	FR-1600
Panel material	Stainless steel
Supply voltage	220V 50Hz
Heating power	600w
Temperature	0~300
Motor power	80w
Sealing speed	0~12m/min
Widththickness	6~12mm,0.02~0.80mm
Bear the weight	≤10kg
Conveyortable size	L900xW400xH150(mm)
Product size	L900xW630xH370(mm)
Package size	L1000xW700xH400(mm)
Weight	42kg

1. Company main products: pneumatic strapping tools, battery powered strapping tools, steel strapping machines, manual strapping tools, pneumatic welding tools semi automatic strapping machine with double motors fully automatic strapping machines dispensers and various types of packing materials.

2. The products are widely used in iron, steel, nonferrous metals building materials, chemical fiber tobacco paper textiles manufacturing logistics and other industries, transportation storage and other links.

3. The company has complete products specifications, reliable quality and a complete and scientific quality management system.

4. The products sell well in the market with a higher status, the company has a number of retailers and agents to establish a long-term stable partnership, with complete product specification competitive price and the contract and accreditation honoring, ensure the table quality with diversified business small profits and quick turn over to win the customers.

FAQ

1. What are your strengths?

Honest management, competitive prices and professional export services.

2. How can I trust you?

A: We think honesty is the life of our company. In addition, we have trade guarantee. Your orders and funds will be well guaranteed.

3. Can you guarantee your products?

A: Yes, we guarantee 100% satisfaction with all our products. If you are not satisfied with our quality or service, please report back immediately.

4. Where are you? Can I come and see you?

A: Of course. You are welcome to visit our factory anytime.

5. Which payment methods do you support?

A: We accept telegraphic transfer, 100% sight L/C, Western Union, D/P, D/A, MoneyGram and other payment methods. If you have other payment methods, please contact me.
