Basic Information

- Place of Origin: China
- Brand Name: ZHUOYU
- Certification: CE
- Model Number: FR900
- Minimum Order Quantity: 5 sets
- Price: To be discussed
- Packaging Details: 900*420*340mm for one set,paper box
- Delivery Time: 5-8 work days
- Payment Terms: L/C,D/A,D/P,T/T,Western Union,MoneyGram
- Supply Ability: 100 box per 10days

Product Specification

- Panel Material: Stove Varnish
- Product Size: L900xW630xH370(mm)
- Sealing Technology: Digital PID Temperature Control
- After-sales Service: One-year Warranty, 24-hour Technical Response, Free Operation Training, Lifetime Maintenance Service
- Minimum Character Height For Coding: 1.5mm
- Visual Positioning Accuracy: ± 0.3 mm
- Inkjet Coding Resolution: 600DPI
- Material: Military-grade 304 Stainless Steel

Product Description

Product Description:

The Sealing Machine FR-1600 is a versatile and efficient sealing solution designed to meet the needs of various industries. With a product size of L900xW630xH370(mm), this machine is compact yet powerful, making it suitable for a range of sealing applications. Featuring a 7-inch industrial-grade touch screen, the Glass Sealing Machine FR-1600 offers a user-friendly interface for easy operation and monitoring. The touch screen provides clear visibility and intuitive controls, enhancing the overall user experience. The panel material of this machine is made of stove varnish, ensuring durability and resistance to wear and tear. The robust construction of the Glass Sealing Machine FR-1600 makes it a reliable and long-lasting sealing solution for your business. Equipped with inkjet coding technology with a resolution of 600DPI, this machine allows for precise and high-quality printing on sealed products. The inkjet coding feature enhances the functionality of the Glass Sealing Machine FR-1600, offering added value for businesses looking to incorporate coding capabilities into their sealing process. Whether you are in need of a Bag Sealing Machine, Heat Sealing Machine, or a Glass Sealing Machine, the FR-1600 model is a versatile choice that can accommodate various sealing requirements. Its compact size and powerful performance make it suitable for a wide range of applications, providing efficiency and reliability in sealing operations.

Features:

Our Product Introduction

Product Name: Sealing Machine
Offline Programming Support: Yes
Supply Voltage: 220V 50Hz
Visual Positioning Accuracy: $\pm 0.3\text{mm}$
Material: Military-grade 304 stainless steel
Panel Material: Stove Varnish

Technical Parameters:

Minimum Character Height for Coding	1.5mm
Bear The Weight	$\leq 5\text{kg}$
Product Size	L900xW630xH370(mm)
Data Traceability	Yes
Sealing Pressure Adjustment	Automatic
After-sales Service	One-year warranty, 24-hour technical response, free operation training, lifetime maintenance service
Supply Voltage	220V 50Hz
Touch Screen Size	7-inch industrial-grade
Material	Military-grade 304 stainless steel
Inkjet Coding Resolution	600DPI

Applications:

ZHUOYU FR900 Sealing Machine is a versatile and high-quality product suitable for a wide range of application occasions and scenarios. This Horizontal Sealing Machine is perfect for sealing various types of packaging, making it ideal for use in industries such as food packaging, pharmaceuticals, cosmetics, and more.

Whether you need to seal cartons, cups, or other types of packaging, the ZHUOYU FR900 Sealing Machine is the perfect solution. Its advanced sealing technology, including Digital PID temperature control, ensures a reliable and consistent seal every time.

With CE certification and a place of origin in China, you can trust the quality and reliability of this product. The minimum order quantity of 5 sets makes it suitable for both small businesses and larger enterprises.

When it comes to payment terms, you have the flexibility to choose from a variety of options including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability of 100 boxes per 10 days ensures that you will have an ample supply of sealing machines to meet your needs.

With a delivery time of 5-8 work days and packaging details of 900*420*340mm for one set in a paper box, you can expect a quick and convenient ordering process. The product size of L900xW630xH370(mm) makes it easy to integrate into your existing workspace.

In addition to its advanced sealing technology, the ZHUOYU FR900 Sealing Machine also offers offline programming support, automatic sealing pressure adjustment, and a one-year warranty. You can also enjoy 24-hour technical response, free operation training, and lifetime maintenance service, ensuring that you get the most out of your investment.

Support and Services:

Our Product Technical Support and Services for the Sealing Machine include:

- Installation guidance and support to ensure proper setup of the machine.
- Troubleshooting assistance for any issues that may arise during operation.
- Regular maintenance recommendations to keep the machine running smoothly.
- Training programs for operators to maximize efficiency and safety.
- Access to online resources such as user manuals and FAQs for quick reference.

Packing and Shipping:

Product Packaging:

The sealing machine is carefully packaged in a sturdy cardboard box to ensure safe delivery. Inside the box, the machine is securely cushioned with foam padding to prevent any damage during transit.

Shipping:

Once your order is confirmed, the sealing machine will be shipped within 1-2 business days. We offer standard shipping options as well as expedited delivery for faster service. You will receive a tracking number to monitor the status of your shipment.

FAQ:

Q: What is the brand name of this sealing machine?

A: The brand name of this sealing machine is ZHUOYU.

Q: What is the model number of this sealing machine?

A: The model number of this sealing machine is FR900.

Q: Where is this sealing machine manufactured?

A: This sealing machine is manufactured in China.

Q: What is the minimum order quantity for this sealing machine?

A: The minimum order quantity for this sealing machine is 5 sets.

Q: What are the payment terms accepted for purchasing this sealing machine?

A: The accepted payment terms for purchasing this sealing machine are L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
